

Carlisle Infant School

24th October 2024

Dear Parents and Carers,

As we approach the midpoint of the autumn term, I am pleased to reflect on the busy and productive first half-term we have experienced across the federation. Our pupils have engaged in a wealth of enriching experiences across the curriculum, demonstrating their enthusiasm for learning and their ability to embrace new challenges.

I would like to extend a warm welcome to our new pupils and their families who have joined our school community this term. We are delighted to have you as part of our federation family.

It is with great pride that I share some exciting news with you all. Carlisle Infant School has been shortlisted for a national award - the Timpson Attachment Aware Schools Award. This recognition is a testament to the dedicated work our staff has undertaken in supporting pupils through an Attachment Aware and Trauma Informed approach. This nomination reflects our commitment to providing a nurturing and inclusive environment for all our pupils, ensuring that each child feels valued, supported, and empowered to achieve their full potential.

As we look ahead, I would like to bring your attention to two upcoming events. Firstly, we are excited to announce our Fireworks event, which will take place on Saturday, 9th November, here at Carlisle Infant School. This promises to be a spectacular evening, bringing our school community together for a dazzling display. We encourage all families to join us for this.

Secondly, Hampton Hill Junior School, will be hosting a Dig Day on Sunday, 10th November. This event offers a great opportunity for families to support the school through maintaining our outdoor environment.

Thank you for your continued support and engagement with our school community. I would also like to thank the staff teams across both sites for their hard work and positivity this half-term.

Wishing you all a wonderful half-term.

Federation Headteacher

NHS Year Reception Height & Weight

An e mail has already been sent to YR parents this week regarding the NHS height & weight measuring programme. Please see the message below regarding the NHS portal.

Introducing the Parent Portal (School Screener)

School Health Services will be using a new electronic way of communicating with parents and carers through a secure web-based portal. Parents and carers of children in **Reception and Year 6** are being asked to register on the portal to receive information and register on the 2024-2025 NCMP (National Child Measurement Programme) **and to Opt Out should you wish to, using the following link:**

<https://parent.schoolscreener.com/WnRh323/102883>

The flyer features a dark green background. On the left is a bright orange quilted winter jacket. To the right of the jacket, the text reads: 'Share the warmth, donate a coat.' in white and yellow. Below this, it says 'Warm winter coat and jacket donations are needed.' in white. In the top right corner, there is a white house icon followed by 'Chase Buchanan'. In the bottom right corner, there is a logo for 'CALLING LONDON' featuring a megaphone and the tagline 'LET'S TOGETHER MAKE A DIFFERENCE'.

I am writing on behalf of your local Chase Buchanan branch, here in Hampton Hill. We are helping the charity Calling London with their winter coat drive and would appreciate your support.

Every year, Calling London collects winter coats and jackets and then distributes them to over 30 charitable organizations - helping the homeless, victims of domestic abuse, those living in poverty, the elderly, refugees and children. We've been collecting coats on behalf of Calling London since 2014 and now more than ever they need our help.

Until 23rd November Chase Buchanan branches become donation points for the public to drop off their unwanted coats and jackets. Please see flyer on page 7.

School Meals-Important

There is a new menu starting from Monday 4th November. The cycle will run until Christmas. The menu can be viewed on the school website. **We have been advised by Caterlink that the 'meatballs' on week one are chicken not beef as previously stated.**

Please remember to add your child's lunch choices. If your child is bringing a packed lunch from home we still require you to add this in the system. **Your child will be given the vegetarian if you do not allocate a choice of meal for them.**

Remember your child must not bring any sesame or nut products or any food containing nuts to school. This also includes homous.

If your child receives a specially prepared meal due to allergies then **we will submit their meal code for them.**

School Absence-Important Procedures

Please could all parent/carers ensure they let the office know every day that their child is unwell and the nature of the illness. Medical evidence may be required for absences longer than 5 days and when attendance falls below 90%.

Please also provide written proof of any appointments and advise whether your child will be requiring a school meal.

May we also remind you that if your child has vomiting and/or diarrhoea, you must wait 48 hours from the last episode before bringing your child back to school.

School Attendance—Reminder-School Day Start/Finish Times

Reception arrive between 8.50am to 8.55am and finish at 3.05pm

Y1 & Y2 to be ready and awaiting class teacher by 8.55am in the playground. Finish time is 3.15pm.

We would also like to remind all parents that you must call the school office each day to report your child's absence. If we do not hear from you, it will be noted on our attendance register as unauthorised absence. Please note this forms part of our safeguarding procedure.

Dear Parents,

I am pleased to inform you that, due to the huge success of our football courses over the last 23 years, we are following up the football coaching programme for the season starting in November 2024. The course will run for approximately 20 weeks and the programme is for boys and girls aged between 4 and 12.

About our Course

- The unique practice techniques are specifically designed to work with children of all abilities, ranging from the absolute beginner to the more advanced player.
- The course is run by F.A qualified coaches, who are DBS checked, and hold an advanced premier skills qualification, they are currently working with children, enabling them to learn essential football techniques, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient **FUN!**
- Children will be supervised at all times, although parents are welcome to stay and watch.
- Each child will be provided with a football for individual practice and their progress will be recorded each week.
- It is an **indoor** course held in the sports hall, therefore children should wear trainers and sportswear.
- **Ex Premier League Birmingham City, West Bromwich Albion and Leicester City player Geoff Horsfield** quotes, "I've coached on these courses with the team and they are fantastic in the way they deliver their coaching sessions!"
- **Ex England World Cup star and Sky Sports pundit Paul Merson** quotes, "I have presented trophies to the children on these courses and it's great to see the smiles on their faces and sense of achievement!"

Presentation of trophies and award

- On the final week of the course we hold a presentation, whereby **EACH CHILD WILL RECEIVE AN ENGRAVED TROPHY.**
- Children also have a chance to win many other special individual awards and trophies for various skills, including 'premier league' and 'penalty shoot out' competitions.
- Parents and friends are most welcome to attend the presentation and watch the children being presented with their awards, as this encourages a fantastic atmosphere.

The cost of the course is £8 per week; payment is made every 5 weeks with the first payment of £40 due on week 1. **Please Note:** Places are limited, therefore bookings will be taken on a first come, first served basis. *Mark Frith (course co-ordinator)* www.reachcoachinguk.co.uk
