HOW THE CONVENTION WORKS

# CONVENTION ON THE RIGHTS OF THE CHILD

# What is wrong with our world?

**Ethan** - People dump rubbish in the sea – like plastic bags and then the sea creatures get sick

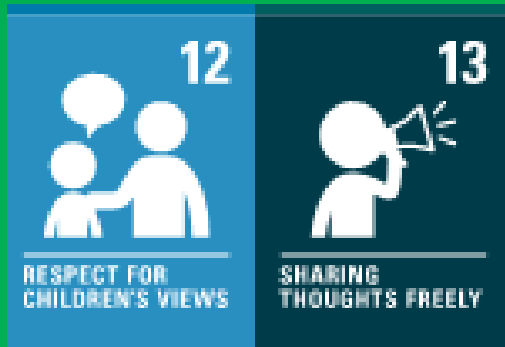

**Erin** - They die – or they get sick

**Primrose** - Sea turtles – Plastic might stick in their throat

**Delilah** - Animals on land might eat rubbish

RESPECT FOR  
CHILDREN'S VIEWS

13  
SHARING  
THOUGHTS FREELY

# What do you worry about?

**Dylan** – “Car exhaust – it releases fumes in the air – its bad for the atmosphere and animals. Actually its Carbon dioxide. Also its really bad for plants.”

**Ethan** – “I remind daddy to remember to turn off the engine.”

**Summer** - Some people pick flowers – you won't have any oxygen to breathe

**Zahira** - breathe in the trees – if you cut trees you won't breathe.

**Year 2** have written letters to ask companies to stop using palm oil because it means they have to cut down trees to get it.

# Global warming

- **Dylan** – 200m water from the ice mountains a long time ago scientists said
- Ice melts, the sea gets warmer.

# What things can we do to help our planet?

# Use less fossil fuels

coal

natural gas

Oil and petrol products

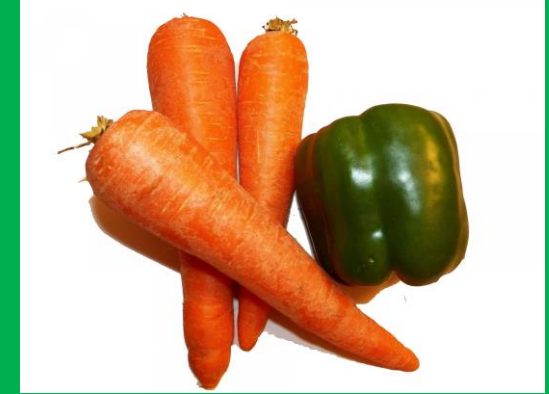

# Use renewable energy

# Reduce waste by recycling

Use less plastic packaging

# THE JOURNEY SO FAR

## 2018

LAUNCH OF WALKERS CRISP PACKET RECYCLE SCHEME WITH TERRACYCLE®

- 1,600 public drop-off locations
- Millions of crisp packets were recycled
- Walkers converted crisp packs into benches, plant pots, football pitches & more!

## 2023

WALKERS CRISPS OFFICIALLY COMPLIANT FOR RECYCLING AT SUPERMARKETS THROUGH THE ON PACK RECYCLING SCHEME

- Walkers are committed to make it simple and easy for consumers to recycle packaging appropriately by re-designing our bags to qualify for the OPRL recycling logos across our total portfolio

# UN Climate change conference 2023

Representatives of the UN and Governments from around the world discuss ways in which we can all help our world.

Historic agreement was reached to stop using fossil fuels, triple renewable energy and increase the money given to the most needy countries affected by climate change.

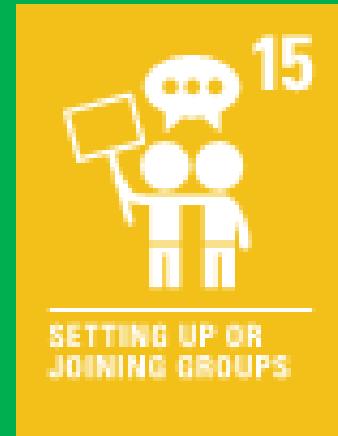

# What are we going to do next year?

We are taking part in the Big Plastic Count in Science week. We will count how much plastic we are using and ask the government to help us stop using them and find something else.

The CSA are organising a regular litter pick in Carlisle Park and our first one will be sponsored so we can buy recycling bins for the school.

We will write more letters to the government to tell them what we are worried about and what we want them to do about it – That is called Campaigning.
