

FEDERATION Schools Logo Competition

The Governors and Staff of Carlisle Infant School and Hampton Hill Junior School Federation are on the hunt for a logo that we can use across both our schools.

So, get out your colouring pencils and paper as we would love to see your ideas to inspire a **NEW Federation Logo Design!**

Our current, separate logos look like this:

Our shared ethos is currently:
“Love Learning, Love Life”

The only rule is that it must incorporate the federation name –
Carlisle and Hampton Hill Federation

You may want to think about some of these things that are important to both of our schools:

Learning	Our local area	Nurture	Community
Diversity	Outdoors/ Nature	Inclusivity	Happy children

All entries must be handed into either Carlisle/Hampton Hill school office by **FRIDAY 24th February 2023.**

Governors and staff will then gather to choose their favourite designs that will be used to create three potential logos.

Then our whole school community can vote for their favourite.

The competition is open to everyone in our school community.

We look forward to seeing your imaginative entries!
