Please note that we have a strict behaviour policy, in line with all clubs and activities at the school, whilst this is not a school club, participants do need to respect the boundaries that we as a company put in place, to ensure that everyone has a fair, balanced, creative and enjoyable experience. We would like to remind students that unacceptable behaviour will not be tolerated within our club setting. We will address behavioural issues in the classes with a verbal warning, followed by sitting out, followed by talking to parents or the school, and as an absolute last resort places being revoked.
