Wednesday 17th January

Dear Year 1 families,

We are all thoroughly enjoying learning about our topic 'Out of this world' in Year 1 this half term! We have decided to add a little more sparkle and will be having a 'Space day' in Year 1 to really immerse ourselves in our learning about space travel, rockets, astronauts, the planets and stars.

Space day will be on **Wednesday 7th February.**

To cover the costs of resources on this exciting day, we would appreciate a **£1** donation. Please hand this to the school office by **Friday 2nd February.**

To excite the children with their learning we would like the children to come to school dressed up in character on the day; they could dress up as an astronaut, an alien, planets or stars! However, please remember that the children will be involved in various learning activities throughout the day, including a fitness training task so a costume with ease of movement and the ability to sit down is required.

There are some photos below to help with costume ideas. If you need any support please ask your child's class teacher. If you have any hats/clothes that could be borrowed by other families please bring them in if possible.

Thank you for your support,

The Year 1 team 😊
