

Hampton Hill Junior School

Update

6th September 2024

Dear Parents and Carers,

It's been a delight to see our pupils returning to school in their new Federation uniforms. Their smiles, energy, and enthusiasm as they settle into their new classrooms have been truly heartwarming. The start of a new academic year always brings a sense of excitement and possibility, and this year is no exception.

As we embark on this new term, we would like to share our focus for the coming weeks. We'll be emphasising the value of ***Togetherness*** throughout this half term, fostering a sense of community and collaboration among our pupils.

At Carlisle we're placing special emphasis on behaviour expectations and our relentless routine – '***Marvellous Manners***'. We're celebrating pupils who use 'please' and 'thank you', those who greet us and respond when greeted, and children who demonstrate good manners, such as holding doors open or tucking in chairs. The same can be said for Hampton Hill Juniors; where we will re-iterate the expectations of calmness, collaboration and cooperation, whilst showing respect for all people at all times, in all places.

These small acts of kindness and respect contribute significantly to creating a positive and nurturing school environment. We appreciate your support in reinforcing these values at home, as we work together to help our pupils develop into considerate and well-mannered individuals.

We wish you all a wonderful weekend.
