

Hampton Hill Junior School

Newsletter

25th October 2024

Dear Parents and Carers,

As we approach the midpoint of the autumn term, I am pleased to reflect on the busy and productive first half-term we have experienced across the federation. Our pupils have engaged in a wealth of enriching experiences across the curriculum, demonstrating their enthusiasm for learning and their ability to embrace new challenges.

I would like to extend a warm welcome to our new pupils and their families who have joined our school community this term. We are delighted to have you as part of our federation family.

It is with great pride that I share some exciting news with you all. Carlisle Infant School has been shortlisted for a national award - the Timpson Attachment Aware Schools Award. This recognition is a testament to the dedicated work our staff has undertaken in supporting pupils through an Attachment Aware and Trauma Informed approach. This nomination reflects our commitment to providing a nurturing and inclusive environment for all our pupils, ensuring that each child feels valued, supported, and empowered to achieve their full potential.

As we look ahead, I would like to bring your attention to two upcoming events. Firstly, we are excited to announce our Fireworks event, which will take place on Saturday, 9th November, at Carlisle Infant School. This promises to be a spectacular evening, bringing our school community together for a dazzling display. We encourage all families to join us for this.

Secondly, Hampton Hill Junior School, will be hosting a Dig Day on Sunday, 10th November. This event offers a great opportunity for families to support the school through maintaining our outdoor environment.

Thank you for your continued support and engagement with our school community. I would also like to thank the staff teams across both sites for their hard work and positivity this half-term.

Wishing you all a wonderful half-term

Zoe Brittain

Federation Headteacher
