## Y3 Weekly Bulletin 15<sup>th</sup> March 2024

Dear Parent and Carers

We have had a busy and enjoyable Science Week this week- culminating in our dress-up day today (linked to Red Nose Day)- thank you for your support with this.

We have marked Ramadan with the pupils in assembly and wish the very best to all families.

Well done to our footballers this week for all their great efforts.

Our Y3 children were fantastic in their Wider Opportunity concerts this week- it was lovely that so many parents and carers were able to join us for these.

Congratulations to our girl chess team for their great efforts in the on-line 'She Plays to Win' primary school's tournament this week.

Good luck to our Fab Quiz team today in their semi-finals.

We have also met up with the PTA team this week- so much positive news. Great to hear- thank you to them.

Thanks to all parents who responded to the recent parent evening survey we circulated- your comments will help inform our forward thinking.

Summer curriculum newsletters will be sent out next week with updated dates.

We now look forward to next week's Living Eggs arrival and Neuro-diversity Week, which we will be highlighting with the children through our assemblies.

Wishing the very best to anyone who will be celebrating St Patrick's Day on Sunday.

WORD OF THE WEEK – abundant

LANGUAGE OF THE WEEK - Ukrainian

Best Wishes

Alan Went

**Urgent: Requesting any parents who speak a language other than English to kindly support our efforts for our International Language Day which we are celebrating on Thursday 21st March. We would love you to come in for 10 minutes at 2.15pm to talk to your child's class about your language, culture, traditional values, country and knowing a different language. Please let the school office know.**

Please note that the bulletins are always available on the website:
