HAMPTON HILL JUNIOR SCHOOL

Celebrating the diversity of languages in Hampton Hill

Albha Hut

The Young Learners' Scheme at Hampton Hill is a unique opportunity for our pupils to learn a second language. We have introduced a variety of languages to our curriculum, including Spanish, French, German, Italian, and Chinese. This helps our pupils to become more confident in their own language and to learn from others.

Malala Key

It is important to encourage our pupils to learn a second language. This is not only a valuable skill for the future, but it also helps to build a more inclusive and diverse school community. We are proud to have a variety of languages spoken in our school, and we encourage all our pupils to learn from each other.
