Our School Priorities 2023-2024

To maximise the benefits of the Federation model for all stakeholders.

To ensure progress and outcomes in reading and writing are improved for every child to leave Carlisle as a reader and writer.

To embed a whole school approach to teaching vocabulary to support effective learning across the curriculum.

To further develop and embed the school's assessment processes alongside establishing and embedding our pedagogical principles.

To further develop our nurturing provision to support children's emotional wellbeing at different times throughout the day.

Monique Goddard
Pastoral Mentor

“Safeguarding the children at our school is one of the central responsibilities of my role.

Along with the other Safeguarding Leads and all staff at Carlisle, we monitor our environment to ensure it is a safe place for all the children and staff. We regularly gather information from the children to discuss how they feel about school and to check that they know who they can turn to for help if they are finding anything difficult. Our curriculum is enriched with opportunities to learn about keeping ourselves safe and recognising dangers including e-safety and friendship difficulties. If you are ever concerned about a child’s safety, at home or at school, please come and speak to one of us or to your child’s class teacher in confidence.”

Early Years Foundation Stage Curriculum

As your child enters Reception they are taught following Curriculum Guidance for the Early Years Foundation Stage in Development Matters which runs from birth until the end of their Reception year. The EYFS curriculum is built around three overarching **Prime Areas** and four main **Specific Areas** of learning:

Prime Areas	Communication and Language <ul style="list-style-type: none">• Listening, Attention and Understanding• Speaking	Physical Development <ul style="list-style-type: none">• Gross Motor Skills• Fine Motor Skills	Personal, Social and Emotional Development <ul style="list-style-type: none">• Self Regulation• Managing Self• Building Relationships	
Specific Areas	Literacy <ul style="list-style-type: none">• Comprehension• Word Reading• Writing	Mathematics <ul style="list-style-type: none">• Number• Numerical Patterns	Understanding the World <ul style="list-style-type: none">• Past and Present• People, Culture and Communities• The Natural World	Expressive Arts and Design <ul style="list-style-type: none">• Creating with Materials• Being Imaginative and Expressive

Key Stage 1 National Curriculum

Following your child's year in Reception, they transition into Key Stage 1 – Year 1 and Year 2, where their learning journeys are shaped by The National Curriculum, which takes them through until they have completed their GCSEs in Year 11.

We are proud to offer an increasingly inspiring, inclusive and diverse curriculum at Carlisle, made up of the subjects outlined below:

Core Subjects	English: Speaking and Listening Reading Writing		Mathematics	Science	
Foundation Subjects	Art	Computing	Design Technology	Geography	History
	Music	Physical Education	Personal, Social and Health Education	Religious Education	

Hampton Hill Junior School

"They care about me"

"This is a really special school"

We commit time, passion and expertise to transition to HHJS and we look forward to working with parents.

We want our children to be happy, independent and able to thrive.

We have a huge range of leadership roles so everyone gets a chance to shine

Journeys through the Ocean

BIG QUESTION...

How can we look after our oceans?

Are you ready for a voyage across the five oceans of our world? In Year 2 this half term we are going to learn to name the vast oceans of planet Earth as well as some of the brave and famous scientists who have stepped aboard ships to explore the varied life within these seas and learn about those that have travelled aboard some of the world's most famous vessels! Make sure you pack your sea sickness tablets as this could be a bumpy journey!

Commotion in the Ocean

BIG QUESTION...

How do animals amaze us?
How can we look after our world?

It's the big blue world (where a colossal collection of fish, mammals and coral all reside) that our Reception children are about to explore as they come towards the end of their first year at Carlisle Infant School.

This topic will enable them to dive under one of the five oceans of the world to learn about some of the varied creatures that make up these vast habitats, they'll become poets as they write about what they have discovered from their sea studies and use creativity and imagination as they are inspired by Hokusai's 'The Great Wave' in their expressive artwork! So whether you are a fan of The Little Mermaid, or maybe Finding Nemo is your favourite - you're going to love your journey wondering 'What is creating this 'Commotion in the Ocean?'

- Workshops
- Community events
- Charity
- Singing festivals
- Year 2 swimming

Pupil Wellbeing

At Carlisle school we place a high emphasis on the importance of the children being happy and settled.

It is important as without this in place the children will not be ready to learn. To support this we have the **Golden Rules** as a guide to positive behaviour management for all of us and encourage you to use the same Golden Rules at home.

Learning Behaviours

As part of our ongoing drive to provide our children with the best possible learning opportunities we use the following approach in developing children's behaviours for learning.

Behaviours for Learning are central to our teaching, and we use these images to make learning behaviours more explicit to the children, school community and parents alike.

Golden Rules

We are kind and helpful.

We listen.

We are honest.

We work hard.

We look after property.

Carlisle Infant School

The Outdoor Classroom

We encourage the children to be as independent as possible in their activities. We encourage risk taking. The children may get muddy and dirty, they may have a bump or scratch, they may not succeed in their first attempt at an activity. This all helps in building resilience an important learning behaviour.

Having a Go

Managed Risk Taking

Playing and Exploring

Concentrating

Choosing their own way to do things

Having their own ideas

Making links in their learning

Keeping on trying

Carlisle Infant School

Our aim is that children leave Carlisle Infant School with...

- ✓ a passion for learning new things
- ✓ pride for the unique individual they are
- ✓ skills that equip them for the next stage of their learning journey – including being a competent reader, writer and mathematician
- ✓ important life skills, meaning they can form friendships, recognise that we are all different and can seek help when needed.

Applying For Carlisle Infant School

Start Reception: September 2024

Born between: 1/9/2019 - 31/8/2020

School Applications made on **eAdmissions website**

eadmissions.org.uk

This also applies to reapplication for your child's junior school place when your child begins in Year 2

If you do not live within the borough you need to apply for a place through your own council and you can include Richmond schools in your application.

Admissions Criterion:

1. SEN* Place reserved for a child with an Education, Health and Care Plan
2. Looked after child (including previously looked after children)
3. Exceptional family, social or medical need
4. Having a brother or sister in the school or the paired school
5. Children of staff
6. Distance of home address to school

The closing date for applications is

15th January 2024.
